

**REMARKS**

The Office Action allowed Claims 1-9 and 15 and indicated that the subject matter of Claims 11 and 14 would be allowed if rewritten in independent form.

Accordingly, Claim 11 has been drafted into Claim 10, while Claim 14 has been drafted into Claim 13.

The Specification has been corrected to remove a typographical error of "one-tough" to one-touch.

With these amendments it is believed that the case is now in condition for allowance and early notification of the same is requested. If the Examiner has any question, the undersigned Attorney can be contacted at the listed phone number.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on June 7, 2005.
